One of the really special 73 models on the pre-owned Sunseeker yachts market. The yacht has been ordered in 2011 and delivered in 2012. The owner was detailed it with special layout with only Master, VIP and removable nurse cabin for 1-2 person, transformable bar in salon and galley in lowest deck in place of the 4 cabin. The yacht is comfortable for the family with 2-3 kids or for 2 kids and baby sitter where she was planned for originally. Also she is perfect place for the party people. At the time she was buildt the boat gives extra ample space and creates a special meeting point or the events aboard. High level of extra options as such bow and stern thrusters, Seakeeper and yacht remote controller offer to operate by the family alone, or with only skipper. "The information provided is expected to be correct but not guaranteed".
